Foliar Fertilizer Improve Soil Structure Reduce Plant Stress

GUARANTEED ANALYSIS

Available Nitrogen (N)	15.00%
Available Phosphoric Acid (P2O5) ...	10.00%
Soluble Potash (K2O)	5.00%
Boron (B)	0.02%
Chelated Copper (Cu)	0.05%
Chelated Iron (Fe)	0.10%
Chelated Manganese (Mn)	0.05%
Chelated Zinc (Zn)	0.05%

Derived from: Urea, Potassium Nitrate, Phosphoric Acid, Muriate of Potash, Zinc EDTA, Manganese EDTA, Iron EDTA, Copper EDTA, Boric Acid, and other chelating agents. Also contains: humic, fulvic, amino, and organic acids

CONDITIONS OF SALE Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability of fitness for a particular purpose expressed or implied, extends to the use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable by the seller and buyer assumes the risk of any such use.

2.5 gal 24.5 lb 11.11 kg | 5 gal 49.0 lb 22.23 kg | 275 gal 2750 lb 1240 kg

Foliar Application: Standard rate: **32 oz/acre.**

Premium rate: **40-48 oz/acre.**

Minimum Water Rate: Ground: 10 gal. Drone: 2 gal.

MIXING: This product will disperse in water with minimal agitation. **Use a premium non-ionic surfactant.**

Tank-mix compatibility: *Always make a small-scale or jar test to assure compatibility with any product.* Most **pesticides** are compatible. **Do not mix with 2,4-D Amine-based herbicides.**

Do not mix with other fertilizer mixtures until compatibility has been determined and there is no danger of phytotoxicity.

NOTE: Most X-O-X liquid fertilizers will mix easily with Texas Pasture Plus 15-10-5 at normal fertilizer rates. Ammonium phosphate fertilizers have a tendency to be more compatible than orthophosphate based materials. So if mixing with X-X-X fertilizers containing phosphate, maintain vigorous agitation to ensure good product mixing.

Only Apply to Actively Growing Grass or Crops
